

## FAQs

### Elements on East Coast

#### Q 1. Do I get exclusivity at Elements on East Coast?

Elements is a big property and we allow up to 8 shoots at one time to keep the cost low for you. We have over 50 backgrounds including Rajasthani Jahrokas, South Indian temple settings, European backdrops, all beautifully installed in our landscaped gardens. All backdrops are included in the package. We constantly monitor waiting times to make sure there is minimal or zero wait.

#### Q 2. Are the rates same for all types of shoots?

These rates only apply for pre wedding post wedding maternity and baby shoots. For ad shoots you will need to block all the slots if you want exclusivity. If you don't want exclusivity you will need to block one slot per model for an ad shoot. For fashion shoots you will need to block one slot per model.

#### Q 3. How many people are allowed?

We allow only 6 people per ticket including the couple, photographers and make-up artists. Additional guests will be charged at ₹500 per head up to a maximum of 4 guests including children. Your friends and family are welcome to accompany you to Elements but we would request them not to shoot selfies or photographs against our backgrounds as this will increase the waiting time for the other couples, and will also interfere in their frames.

#### Q 4. I want to book for the whole day.

Please book the morning and afternoon slots in one transaction to book the whole day.

#### Q 5. Do I need to pay if I bring my make-up artist?
